

## **Create. Organise. Connect.**

ed1t is the new way to have an impact on the web, organise your teams and stay in touch with your community.

ed1t is specifically aimed at churches and charities, with a range of features to suit any budget.

ed1t allows you and your team to easily maintain your website without needing technical knowledge.

ed1t is available with a free 30-day trial so you can try out the various features before you decide which version is best for your organisation.

**Visit [ed1t.co.uk](http://ed1t.co.uk) to learn more**

## **Key features and benefits**

- Easily maintain your website
- Word style editor with built-in spell checker
- Create a custom look for your site using templates
- Organise your teams with calendars and rotas
- Send email newsletters
- Create slideshows
- Search engine friendly
- Members database
- You keep full control over your content
- No technical knowledge required
- Product support included

All versions come with a range of standard design 'skins'. Our team can also create a unique skin tailored to meet your specific requirements.

ed1t is available in 4 versions. As the needs of your church or charity grow, you can upgrade your version to take advantage of additional features as required.
